The ladies' rifle club will meet Wednesday evenings at 7:30 and Sunday afternoons at 2:30 at the Legion of Frontiersmen's range on the Thrift road. Anyone interested in joining is asked to come to the range.

Community Club Again Active

First fall meeting of the White Rock Community club was held in the Army & Navy hall on Monday evening, with P. J. Walker in the chair.

Such a small turnout of members responded to the first meeting that the club decided if there is not a larger attendance at either old or new members at the meeting set for November 18, the club will have to disband.

A number of pieces of sewing left from a bazaar held last spring was turned over to the Army & Navy Women's Auxiliary to be sold at their bazaar on November 5.

The club was well supplied with a plunked glass fronted case, by Mr. N. Henry. The case will display the cups won by the club.

WEDDING

A wedding of interest to many residents of White Rock, took place on Friday, October 10th, in Sixth Avenue United Church, New Westminster, at 7:30 p.m., when Miss Edith, only daughter of Mr. and Mrs. R. Hampton, and Henry P., eldest son of Mr. and Mrs. A. Blackburn, Kerfoot Road, White Rock, were united in marriage by the Rev. A. W. McIntosh. Miss W. Reaworth played the organ and during the signing of the register, Mrs. L. Wright sang "My Prayer."

Battering the church on the arm of her cousin, Mr. Ralph Hood, the bride was charming in a white lace gown, embroidered net fashioned, her full length veil which was held by strands of teal and orange blossom, she carried a bouquet of roses, carnations, heather and eucalyptus.

Her maid of honor, Miss Edith Blackburn, was in embroidered blue net with halo cap, carrying orange and yellow 'mums, and her bridesmaid, Miss Esther Poussett, was in similar pink net, carrying pink and white carnations, while the flower girl, Janice Magrover, carried a pastel colonial pony to match her pale green shoes and frock.

Mr. Fred Hunt was best man. Messrs. Fred Laidlaw, Harold Poussett, Jack Blackburn and Ray Davies were ushers.

A reception was held at the home of the bride, where 175 guests gathered to offer their good wishes to the happy couple. Mrs. Hampton, in blue lace with black accessories, Mrs. Blackburn in royal blue lace with navy and white accessories, assisted in receiving the guests.

The bride's table, laid with a lovely crocheted cloth made for her daughter's wedding by Mrs. Hampton, was centred with a three tiered wedding cake flanked by red glass candelabra and rosebuds.

Mrs. Monicault, the bride traveling in a navy blue ensemble with Hudson seal coat.

On their return they will reside in New Westminster.

Hope Outlines Tory Platform

An interested audience heard Reeve A. C. Hope and Earl Bennett of Vancouver discuss the Conservative platform on Wednesday evening at the Legion hall. Hope, the chairman, W. W. Wood, stressed the desire of the Conservatives to meet the wishes of the people by co-operating in the war effort.

Earl Bennett said the Liberals were difficult to deal with because they had a way of adding their opponents' ideas and discussing them as their own. However, he thought there were two kinds of Liberals: Patullo Liberals and real Liberals. A wasteful and extravagant government should be judged by its past. Many examples of this existed, but none more glaring than the hole in the country's money claiming he was drilling for oil.

Applause greeted Mr. Hope's introduction. He stressed the importance of everyone using the franchise in the interest of better government. He did not believe in violently attacking an opponent, for people today are "fed up" with that sort of thing. Standing solidly behind the Conservative platform, he believed that next to winning the war, planning for rehabilitation of soldiers and war workers was of paramount importance. He anticipated great changes in our economy after the war and planning now was imperative. With nine years' work in his own municipality he need not stress his stand on Old Age Pensions as he had long advocated the reduction of the age limit. As the Federal government paid twenty-five percent of these it was all work.

The policy of a Highway Commission was again a matter of planning. With all the money spent here and there in the past in doing a few miles of roads, by his time a good highway should extend from Vancouver to Montreal. The load that the land bears for education and social services is a shame. In his municipality he saw that old citizens were not sold out for taxes. He had told the system of taxation that had been in vogue a hundred years ago. Sometimes it seemed that rural people did not count.

Changes were in the air. It behooved us to be prepared. No one could say they would be, but it would need strong men to implement them. Perhaps we are not on the right track in education? He was prepared to carry on to the end of his constituency's service as he was giving Langley. He was giving Langley.

SEALE—On Oct. 10, 1941, Jean Curtis Seale of White Rock, Survived by two daughters, Eileen, at home, and Mrs. E. C. Durno, Vancouver; one son, Reginald, I.C. A.P., Edmonton. Private funeral services were held on Saturday, Oct. 11, at 2 o'clock in Nunn & Thomson's Chapel, John and Langley. Rev. G. Harrison Villot officiating. Interment Forest Lawn Memorial Park.

Christmas parcels for boys serving in the overseas forces were mailed this week by the Canadian Women's Auxiliary. About twenty parcels in all were sent.

The Auxiliary are now making arrangements for Poppy day.

Miss Betty Hunter, daughter of Capt. and Mrs. John Hunter, has left to take a position at Ottawa.

Lying To Speak Saturday

Owing to unavoidable circumstances causing Mr. Lying to go to bed, the meeting at the Premier at Kelowna on Friday, Oct. 17, the meeting to have been held on that date has been set for Saturday, October 18, in the Legion hall at 8 p.m.

Lucky Winners

Mrs. Wisby, 1053 1/2 Pacific avenue, Vancouver, was the winner of the necklace drawn for at the Women's Institute meeting on Tuesday afternoon. The winner of the lamp was Mrs. A. Turner, Bishop road. During the meeting Mrs. Brian Gattie, president of the "V. Bundles," gave an address on the work at headquarters. She said that over 70,000 garments had been sent overseas to date and that only the gathering had Miss P. Bond, local nurse, is leaving to be married at the end of the month.

Mrs. W. Chambers was also convener, and the V.O.N. members acted as servers.

Fashion Show

Victorian Order of Nurses, White Rock branch, held a successful silver tea in the United church hall, Wednesday afternoon, Ray, T. D. Barnett of Cloverdale gave a talk on V.O.N. work. Miss M. Martin told the gathering that Miss P. Bond, local nurse, is leaving to be married at the end of the month.

Mrs. W. Chambers was also convener, and the V.O.N. members acted as servers.

Highlighting the afternoon was a fall fashion show, by Miss Hanslow of the Fashion Centre. Manikins displayed the latest in afternoon and evening dresses, fall coats, sports wear and accessories. Misses Margaret Grant, Barbara Grant, Alice Anthony, Marie Barge and Mesdames W. Beestleson, A. Sheppard acted as models. Miss Margaret Bennett displayed girls' school wear.

Miss Peggy Hardy, daughter of Mr. and Mrs. Pat Hardy, Campbell River road, has taken over the Tip Top Beauty shop, formerly occupied by Mrs. D. S. Anderson of Vancouver.

Miss Hardy, who has until lately been working in a Vancouver tailor shop, is well qualified to take the position. The new manager is at present making several alterations to the shop, and is adding new equipment.

Mrs. C. D. Reid of Victoria, formerly of White Rock, spent the Thanksgiving holiday with Mr. and Mrs. J. O. Lee. During the week, many of Mrs. Reid's friends called to renew acquaintances.

Miss Dorothy Reid of the nursing staff of the Vancouver General Hospital, also spent Saturday with the Lees.

The executive of the Board of Trade met on Friday afternoon to investigate the rumoured lease of the old mill office by the Presby. terian congregation.

Shepherd Raps Potato Board

Speaking in the Legion hall Wednesday night, Les Shepherd, C.C.F. candidate for re-election, gave an enlightening resume of his four years in the Legislature.

Mr. Shepherd roundly attacked the Federal government for permitting 3000 tons of U.S.-grown potatoes to be imported into British Columbia at the same time a similar tonnage of B. C. tubers was allowed to grow "sprouts a yard long" in the pits and finally had to be dumped out and lost to human consumption.

Quoting from the C.C.F. platform of B. C., Mr. Shepherd said that a C.C.F. provincial government would urge upon the Dominion greater efficiency in the prosecution of the war by more effective use of wealth and industry. Other planks in the platform included an all-inclusive health insurance plan; old age pensions of \$30.00 per month at 65; provision for unemployables; efficient marketing of farm products through a board, in which would be its own wholesaler; removal of the school tax from land, and the removal of tolls from government bridges and ferries. Referring to the recent visit of a number of Cabinet Ministers to the district Shepherd said, "Let us demand a square deal from Victoria—no promised political handouts."

J. Keeton acted as chairman.

On account of the Canadian Legion holding a whist drive on October 24, the Army & Navy Veterans have postponed their regular bi-monthly whist drive from that date to Monday, October 27, at 8 p.m. in the Veterans' hall.

Owing to the many inquiries and demands for a kindergarten or nursery school in this district, Mrs. E. Gillespie has decided to open up such a school. Parents may be assured that their young children will be given the best of training and care. Mrs. Gillespie is a qualified teacher and has had experience in the work, having run a kindergarten school in North Vancouver. Those wishing to enroll their children may do so on Monday afternoon, October 20, and 27, at 1857 Victoria avenue.

COMMUNICATION

By now it will be generally known I will not be a candidate in the Delta, which perhaps my nominators and friends should have some excuse for.

Mr. J. Johnston (returning officer) received my papers signed and sealed at approximately 10:30 a.m. September 25. On the morning of the 26th I received a notice from the post office there was a piece of registered mail which would be sent me the next day. On the morning of Saturday, September 27, my received the registered mail, my nomination papers returned with a letter saying I should have sent them to Fabian Hugh (returning officer), Cloverdale. The next day, Sunday, no notice could be done that day. Monday a.m., September 29, I sent my papers to Fabian Hugh, Cloverdale. I also sent an acknowledgment to J. J. Johnston.

At this time I was not sure why he did not need my papers to Mr. F. Hugh instead of returning them to me. 5:45 p.m. Monday Mr. Hugh visits me to say that several of the names of my nominators are spelled wrong and my papers are no good. I have no complaint against Mr. Hugh but he is. Mr. Hugh ran me to Cloverdale, supplied me

Scoutmaster Resigns

The Scout committee met in the Masonic hall Friday evening last. Resignation of Rod Downey as scoutmaster was accepted with regrets. The meeting moved a hearty vote of thanks to Mr. Downey, in appreciation of his splendid work in connection with the Scouts.

Annual meeting of the Scout committee will be held in the near future. Watch this column for date.

Students Elect New Council

Scoutmaster students welcome two new teachers to their staff this year: Miss Bardsal and Mr. Cook. Miss Bardsal teaches Home Economics and Mr. Cook, Industrial Arts. Mr. Margerson, on leave of absence from the I.C.A.F., came back to visit his former pupils. Mr. Margerson, now a Pilot Officer, was hailed as a hero when he told all of us about his training in the Air Force. We have sent him a present from the students with our very best wishes.

The International Peace Arch Celebration found Scoutmaster to the fore again when Geraldine Stephens took the part of "Miss Canada" and with Uncle Sam reviewed the children of Canada and U.S.A.

Red Cross and Cadets are in full swing. Miss Manson, Provincial Junior Red Cross Organizer, visited us and told us about the worthwhile work of the Junior Red Cross. Now, while the boys learn to march and shoot, under Mr. Bardsal's leadership, the girls do so under strong, knut and sew under the sponsorship of a teacher and their house president.

Excitement ran high last week while the campaigning for student council elections were in progress. On Wednesday we had campaign speeches and Thursday we voted. Tom Rose, President, and Dalton Jones, Vice-President, were elected by acclamation. Lillian Christian was the election for Secretary and Yvonne Choate for Treasurer. In competition with Joan Horath and Edith Maxford respectively. Good luck to all of you for this year's work and better luck next time to the other two girls.

At assembly last week Miss Brexley presented Student Savings Buttons to the fifteen students who bought War Savings Stamps during the summer holidays. More of these buttons will be presented at Christmas to all those who have bought War Savings Stamps through the school year.

With a new form and brought me home again (for which I thank him). This was approximately 7:30 p.m. This left me with three hours on September 30 to get my nominators together and sign and get completed form to Cloverdale by 1 p.m.

The weather and end of month conditions went against such fast work and I could not do it. I blame the whole thing on J. J. Johnston, who did not use his head.

From reports I was getting it appeared my chance of being elected were about even.

Yours truly,
WM. E. GOODALE

Mrs. George Woodward received a wedding anniversary present from her son Russell, who is with the forces in England. Even with the Battle of the Atlantic in progress, the present arrived punctually, Wednesday, the date of Mr. and Mrs. Woodward's anniversary.

Make Use Of Your Vote

Fifteen thousand, five hundred people are entitled to vote at the Provincial elections in Delta riding on Tuesday next.

British Columbia wants an administration that will hold down expense, co-operate with the Dominion Government, and use its ingenuity to plan ahead for policies that will make this a still better province.

British Columbia is such a magnificent place in which to live and earn a livelihood—that it is important the heads of our government shall be people who are in accord with our way of living. We have just one final word to electors as they go to the polls to exercise their franchise. Not so much by way of advice or admonition, but to recall to voters their privilege to choose the man who will be most certain not to degrade his office, who will accept the honour of being made an M. L. A. in the right spirit and in the right enthusiasm, not so much to make the office a springboard for personal ambitions as to serve all of the people without fear, favour or affection—as his conscience dictate. It is on this basis of willingness to make a sacrifice for the people that our representative, whoever he is, should approach the position in the light of known facts, it is for the people to make the selection.

If you have a vote and do not use it on Tuesday, then you have no right to complain afterwards against the men elected to public office. That is the right of the men and women, who by the interested use of their franchise, try to make democracy a lively and beneficent function. Those who neglect their vote are, without realizing it, simply inviting a harsher, dictatorial type of government to supplant the representative government we now have.

Mr. and Mrs. A. Edwardson are now home from their months trip to Severn Persons, to look after their farming interests.

Mr. and Mrs. Walley, of Vancouver, have bought the Lloyd residence in Victoria Avenue.

Mr. and Mrs. J. H. Watson had relatives from New Westminster, for Thanksgiving week end.

The Women's Institute are calling for materials of all descriptions suitable for the making of clothing, bedding, etc., to be shipped to England by "V Bundles."

A whist drive will be held Friday, October 24, instead of the 17th as previously planned. To be held in the Pier rooms, at 8 p.m. Proceeds for soldiers' comforts, a large attendance is requested.

A free people must INVEST in its own FREEDOM

A Message

FROM THE WAR SAVINGS
COMMITTEE, OTTAWA

The people of Canada are the most fortunate in the world.

Fortunate in the great sweep of space that is ours from ocean to ocean.

Fortunate in the vast yield and immense resources of our forests, fields and mines.

Fortunate, too, in our democratic institutions.

In a word, fortunate in our freedom. This freedom is threatened today as it has never been threatened before.

The fall of the British Empire would mean complete dislocation of our unfettered way of life.

Everyone wants this way of life defended—this freedom saved—for our own future and for posterity. The response to every appeal for our defence has been magnificent—heartening to the whole Empire—alarming to Hitler.

But the need for weapons of war grows ever more urgent, as the Nazi threat spreads wider over the world.

Four Simple Regular Methods of Saving

PAYROLL SAVINGS PLAN—For salary and wage earners. The employee simply signs a Payroll Savings Pledge, turns it in to his pay office, and his employer deducts the pledged amount regularly from his pay.

BANK PLEDGE PLAN—Convenient for business men and women, and others not on a payroll. Simply sign a War Savings Bank Pledge and give it to your bank. The bank will make monthly deductions from your account.

WAR SAVINGS STAMPS—A handy investment plan. Stamp folders may be obtained from Post Offices, Banks and many retail outlets. 16 stamps will buy one \$4 Certificate, worth \$5 at maturity.

RURAL SAVINGS PLAN—Farmers in receipt of regular payments from co-operatives, creameries, cheese factories, etc., can authorize deductions of any desired amount regularly out of each cheque. Use the Rural Pledge Card.

SUPPORT THE WAR WEAPONS DRIVE IN YOUR COMMUNITY

Every town and city in Canada will soon conduct a War Weapons Drive. You will be asked to put ships, more tanks, more guns, more shells. If you are already buying War Savings Certificates—raise your pledge. If you are not, get your dollars working for Victory.

"Caught In The Draft" at the Park theatre is presented for the beginning of the week, a comedy. The very idea of Bob Hope as a spoiled movie actor who finds himself in the Army is funny enough, but what Bob does to the infantry and the tank corps and the whole Army is a riot, he herewith proves himself the number one funny man on the screen today.

Also "Dr. Killdare's Crisis" a drama of a doctor who discovers that the disease his fiancée's brother has is not hereditary and can be cured, so restoring his fiancée to himself.

For the latter part of the week is shown "Kit Carson", a drama. A scout leads a dangerous train of settlers through dangerous Indian country to California, then has to fight the military governor who tries to dispose of the Americans.

Together with "Two Girls On Broadway", a comedy drama. In love with her sister's suitor, a girl turns to a man about town. The sister in order to save her, gives up her fiancé.

**BRITISH COLUMBIA
THRIVES BY ITS
INDUSTRIES.**

With its immense resources of Timber, Minerals, and Foodstuffs, naturally, British Columbia has played a major rôle in Canada's war effort.

For the Basic Industries, 1940 was a highly successful year.

But besides these, we have our Secondary Industries—Manufacturing in all its branches—and these, too, record substantial gains.

In fact, British Columbia finds its industrial returns restored to the level of the banner years of 1923-29.

There is every reason to believe that the cessation of hostilities will bring a lively movement of capital and population to British Columbia, and that the acceleration due to the war will be maintained in peace, and on a solid and lasting basis.

"BUY B.C. PRODUCTS" and help now to make British Columbia an attractive field for new enterprises by supporting and building up those already in existence.

A Personal Word

On the occasion of my last appeal to you in the General Election of 1937. I was 90 votes short of victory. The only promise I make you, is the one I then made, namely, that in every issue concerning the Riding of Delta I will do my best for all its citizens—"more than that no man can promise, and less than that I shall never attempt."
